2. Financial performance

As **WOTSO** continues to expand, we remain committed to operational and financial discipline.

Reflecting this focus, the Q3 update includes new financial metrics:

- **Graph 2.1** tracks occupancy and RevPAD (alongside annualised revenue) highlighting their interdependence – higher occupancy supporting rate growth and lifting RevPAD
- **Graph 2.2** introduces contribution margin, demonstrating not only revenue growth but also the strength and profitability of **WOTSO**'s business model through consistent, positive cash generation.

2.1 Annualised Revenue Chart

2.2 Business Chart

The contribution margin includes nominal rent paid within the WOT Group of \$1.62 million for the quarter. This rent is paid at the greater of \$150/sqm or 45% of turnover allowing the contribution margin to continue growing as the turnover of the **WOTSO** FlexSpace business grows.
